

## Fort Polk Cantrell Gymnasium

*Location: Fort Polk, Louisiana  
Owner: U.S. Department of Defense  
Project Cost: Est. \$2.8M Total  
Est. \$1.0M MEP  
Completion: January 2013*

Pinnacle commissioned this 21k sf gymnasium facility located on the Army's Ft. Polk Joint Readiness Training Center. The renovation included a comprehensive internal face-lift along with overhauls of mechanical, electrical and plumbing systems.

The new HVAC features for the facility include a VAV terminal reheat system, dedicated outside air conditioning, CO2 monitoring, and control integration into the campus-wide BAS system. The building lighting systems were upgraded to include motion and photo controls and a solar hot water heating system was added.
